

SAIL TRAINING SHETLAND - “THE CHALLENGE, ADVENTURE AND OPPORTUNITIES BEYOND” A TALK BY PETER CAMPBELL

Formed in 2009, Sail Training Shetland provides annual placements to enable young people aged between 15 - 25 years to take part in sail training opportunities on vessels such as tall ships, small traditional ships and modern racing yachts. For many trainees, the challenge of sail training is a positive life changing experience and creates a greater appetite for future sailing experiences or a career at sea.
